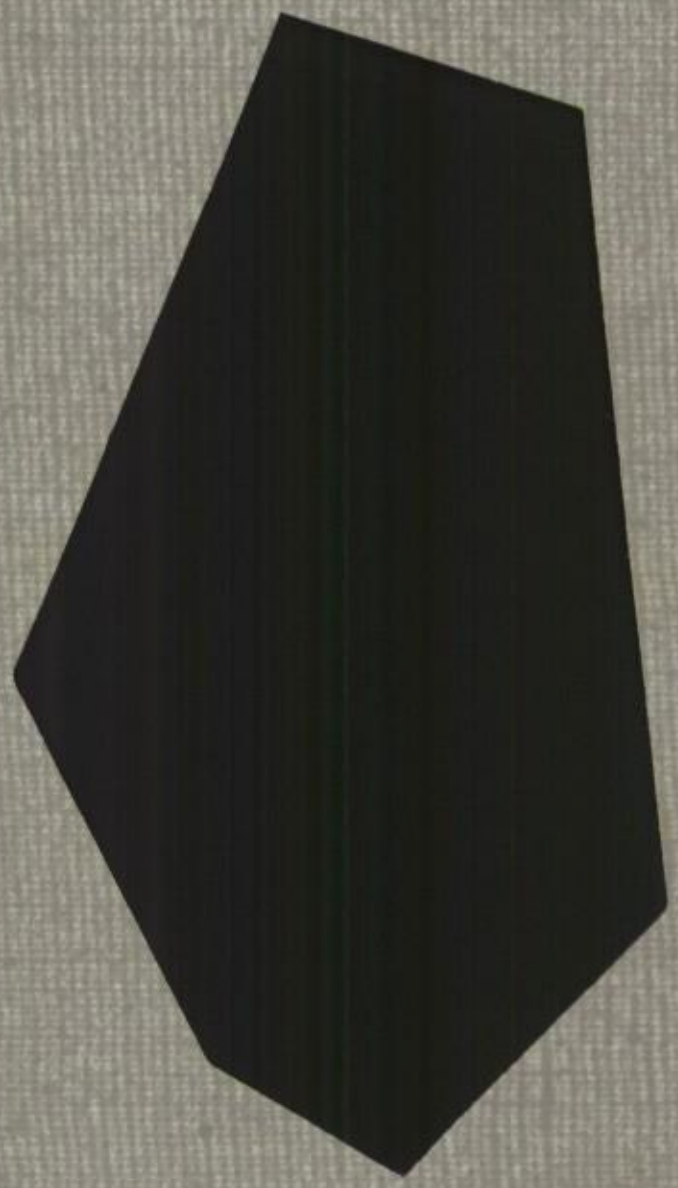
The Ledger

1963



FAR ABOVE THE VALLEY GREEN, a school was established in 1957 as a living memorial to Owen J. Roberts, a man who bestowed an education upon many.

We, as students, have high goals to reach for and ideals to live up to for *we* carry the name Roberts — a name also synonomous with justice and liberty.

We should frequently remind ourselves of the life of Supreme Court Justice Roberts, recalling the standards he so staunchly defended and the objectives he strove for and attained.

The Class of 1963 would now like you to look back through the years to know Owen J. Roberts — student, teacher, lawyer, and judge.

Dedication

The Class of 1963 dedicates Volume V of the *Ledger* to Mr. Stewart B. Elliott in appreciation of his leadership and service to the school.

Following his graduation from Afton Central High School in New York, Mr. Elliott attended Baptist Bible Seminary and Triple Cities College of Syracuse University, and it was from this university that he attained a Master's Degree.

Mr. Elliott began teaching at the North Coventry High School in 1955 and transferred to the Owen J. Roberts faculty after the jointure was formed. At present he teaches French and Latin. In addition to these languages, however, he can speak Spanish, German, Greek, and Russian.

Mr. Elliott is known for his friendly personality and genuine interest in the student body. One proof of this was his origination and sponsorship of the Latin Banquet in 1961. Because of his unswerving school service and guidance, the 1963 *Ledger* is dedicated to Mr. Stewart B. Elliott.

"Carpe Diem, Labor omnia Vincit, Jax vobiscum!"

Best Wishes to a fine fellow and may Lady Luck Smile most favorably upon you. I hope that your "Hitch" in the Service will be most enlightening and that you will be able to learn all the things that you hope to do.

As always, Stewart B. Elliott

In Recognition

Our retiring Supervising Principal, Paul H. Grim is a man truly deserving honor and gratitude, not only because of his administrative ability, but also because of his personal interest in the activities of the student body.

Mr. Grim also devoted much of his time to helping each student of the school learn more about the man after which the school was named by calling special assemblies to outline more clearly the three major phases of Mr. Roberts' life — namely, as educator, humanitarian, and lawyer.

After graduating from the Boyertown High School, he attended Albright College in Reading. Graduate work at the University of Pennsylvania where he received his Master's Degree followed. In the Oxford High School System he taught history, coached the basketball team, track team, debating team, and was the advisor to the school newspaper. He became Supervising Principal of the North Coventry High School in 1940, and when the Northern Chester County Jointure was formed in July, 1955, Mr. Grim became its Supervising Principal and has served in that capacity until the present time. Recently he received the coveted Balboa Award for his outstanding service to the school and to the community.

In appreciation for his leadership and interest in the students at Owen J. Roberts High School, THE LEDGER offers this special recognition to our mentor and friend, Paul H. Grim.

AS A TEACHER, Owen J. Roberts was extraordinary — one of his students has called him a born teacher. He himself saw things so clearly that he was able to impart them equally clearly.

As a youth he taught Sunday School at a Baptist church. Upon his graduation from the University of Pennsylvania, he was elected to the law school's teaching staff, eventually becoming a full professor.

Throughout his entire teaching career, his primary purpose was to teach his students to think for themselves.

The teachers and administrators of our school prepare their students for the future just as Roberts did.

AS A SENIOR AT GERMANTOWN ACADEMY, Owen J. Roberts was uncertain about his future plans. He wanted to become a teacher but his father had hoped he would enter the legal profession.

At the age of sixteen, Owen J. Roberts entered the University of Pennsylvania, graduating valedictorian of his class in 1895. He decided to make a career teaching Latin and Greek. His father still hoped, though, that he would enter law school and then make up his mind; so. complying with his father's wishes, he entered the University of Pennsylvania Law School, graduating in 1898 with first honors. He so impressed his professors that they at once put him on the teaching staff. Thus, he was drawn toward a career in law which made him so successful as a lawyer and a judge.

Many of us, perhaps, are undecided about our future plans; but the knowledge we have gained in school can benefit us greatly in ur future endeavors — just at it did Owen J. Roberts.

"The Gateway of Life"

"We say goodbye! but not forevermore;

The call but summons to yon farther
shore.

And when we too embark,

It is not for the dark of unknown
seas, but for the welcome meeting
with loved ones gone before, who
wait our greeting.

Living in Hope and Faith, we fear
not Death; tis but the Gate of Life."

OWEN J. ROBERTS found immense enjoyment and relaxation from his vigorous schedule in his varied hobbies and participation in civic organizations. He was one of the first to become involved with many new fund drives. Mr. Roberts had not only an interest in metropolitan organizations but was also an active participant in rural political affairs. He was a trustee of the University of Pennsylvania and a member of the 1952 Lawyers for Eisenhower Committee. The American Philosophical Society was one of his greatest pleasures. He was elected president in 1952 and fulfilled that office with wisdom and tact until his death in 1955.

The seniors have found time in their academic schedule to take part in special projects and events. The class play and the senior supper are but a few highlights of this final phase of high school life.

The following pages depict some of these activities.

"SHOWBOAT CRUISE"

On the evening of May 5, 1962, the Junior Class staged their annual prom in honor of the seniors.

The gymnasium was uniquely converted into a showboat. Couples walked up the gang plank to enter. The walls were lined with cascading red, white, and blue streamers. At one corner, a tropical isle appeared with a moon in full view.

The Norm-Ron-4 provided music for dancing from a band stand decorated with hundreds of napkins in red, white, and blue.

Dave LeGrande and Sandra Lucas were crowned king and queen. At the post prom party a movie was shown and a record hop was held. Breakfast was served following the party after which everyone departed with happy memories.

CHARLEY'S AUNT

On March 15 and 16, 1962, the junior class presented the play "Charley's Aunt" by Brandon Thomas. The world-famous farce, which has moved millions to tears of laughter, was directed by Richard T. Brocksbank. The story concerns a young man, Jack Chesney, and his friend Charles. They are in love with two girls. They invite the ladies to their rooms for lunch to meet Charley's aunt from Brazil. But the aunt writes to say she is unable to come. The problem is solved by forcing another Oxford student to pose as Charley's aunt. This is followed by many humorous events.

THE CURIOUS SAVAGE

On November 16 and 17, 1962, the senior class play "The Curious Savage" by John Patrick was presented under the supervision of Miss Evelyn Lawrence. The action of the play occurred in an insane asylum. The main character, Mrs. Ethel Savage, is sent to a home for abnormal people by her unscrupulous children who want her money.

OUR HOMECOMING QUEEN: Diane Yergey

Diane Yergey presents football to the referee.

Homecoming

A lovely, blue-eyed, silver blonde girl was our Owen J. Roberts Football Queen for 1962. Diane Yergey and her court of six girls presided over the first game of the season on September 29, when our team played Boyertown.

The members of Diane's court were Dorothy Glanski, Linda Gill, Connie Reppert, Cheryl Keim, Rita Eppehimer, and Vicki Moyer.

EVEN AFTER OWEN J. ROBERTS retired he led an active life. He relaxed in the satisfaction of jobs well done.

After he resigned from the Supreme Court, Roberts found himself deeply involved in numerous activities. He was president of the American Philosophical Society and the Pennsylvania Bar Association. Owen J. Roberts also was chairman of the board of directors of the Ford Foundation Fund. While he was a member of the Boy Scouts National Council, he took an active part in many scouting affairs.

As Roberts' life was rounded by activity in clubs and organizations, our students also find that their part in school associations help build their character and make their lives richer and fuller.

The Gavel

Warwick's *Ore Mine,* North Coventry's *Norco News,* and *The Roberts Review* were all forrunners of our school newspaper, *The Gavel.*

Through the diligence of past years' staffs, our paper has evolved from a one-page mimeographed monthly to what it is today.

The main concern of *The Gavel* is to present eight informative pleasure-packed issues each year. In this past season there was one three-page special to further available news space.

All the editors can verify that *The Gavel* is a jumble of work — proofreading, corrections, last minute deadlines, and more work; but with the aid of dependable reporters, a helpful adviser, and a hard working staff, *The Gavel* proves to be an educational pleasure.

The Junior High Student Council is composed of four officers elected in the spring and three representives from the Congress of each grade.

In cooperation with the Senior High Student Council they sponsored the exchange student who arrived this year.

This year the annual project for the Council is the resealing of the tennis courts for ice skating during the winter months.

On November 29 they attended the Seventh Annual Student Council Conference at Drexel Hill Junior High School. All the officers found the conference very beneficial.

Library Club

To increase the efficiency of the library, student aids assist the librarians by carding and shelving books, repairing books and magazines, and reading shelves. The displays in the showcases and on the bulletin boards are arranged by special committees.

This work is done during a student aid's study halls or before and after school. By helping in the library, these students learn how to make good use of the library and how to do their tasks systematically and efficiently.

Senior High Student Council

The Student Council is a representative organization created by the student body and designed to promote and encourage worthy activities in the best interest of the school and student body. The Council consists of a representative and an alternate elected in the fall from each homeroom. The officers are preceding spring.

The most important project of this year's Council was the realization of the foreign exchange student program with the arrival of Suzanne Rohr, a student from Switzerland.

This project will continue in future years with the hope of a two-way exchange program with a Roberts' student going overseas. Other projects of this year's council have been dances after basketball games, the decoration of the main lobby at Christmas, and the showing of a feature-length movie.

Booster Club

The Booster Club, founded in 1961 by Barbara Cain, came into its own this year. The club made it a tradition for posters to be hung in the halls before every game, and maps to be put on all bulletin boards for the away games. They were the biggest spirit-getters for the Thanksgiving Day game with Pottstown. The girls held a cake sale to raise money for decorations for the game.

The Booster Club hopes that the ideas they have for school spirit will continue as part of a tradition of the school. The Booster Club in one short year has really organized our school spirit and given us something to be proud of during any sports season.

Future Nurses of America

The Future Nurses of America enables its members to explore career opportunities in nursing and other health fields.

Meeting every other Thursday, the group has had many interesting discussions. Among the speakers the club has heard are Mrs. Miller, a representative from the Careers in Nursing in Philadelphia, and a student nurse.

Field trips to hospitals, twenty-four-hour visitation periods at the Chester County Hospital in West Chester, and making favors for meal trays for patients of local hospitals are some of the activities in which this organization has participated this year. Through these activities the club is endeavoring to better prepare the nurses of the future.

Safety Patrol

The Safety Patrol was established to promote safety and order in the halls, in the classrooms, and on the busses to and from school. New members, from grades eight to twelve, are elected by veteran patrolmen and approved by the faculty. Members are elected until graduation with a minimum term of one year. Meetings of the patrol are held at least once every two weeks. The officers meet on alternate dates every two weeks.

Future Farmers of America

The Future Farmers of America is an educational, non-profit organization of voluntary membership, designed to develop agricultural leadership, character, thrift, cooperation, citizenship, scholarship, and patriotism. It is a national organization of high school boys studying vocational agriculture in the public schools. They visit local farms to observe good farming and farm management. Their projects include vegetable gardens, bees, swine, corn dairy calves, and sheep. Competitive shows and contests are entered with great enthusiasm.

The Northern Chester County Chapter has financed its activities by selling bulbs, vegetable seeds, onions, and strawberry plants. Each year they sponsor a Parent and Son Banquet. The motto of the Future Farmers of America is "Learning to do, doing to learn, earning to live, living to serve."

The purpose of the Future Homemakers of America is to prepare its members for their future. Numerous projects are carried out by the members. These projects are ones that benefit the community. The club participates also in sports such as bowling and roller skating. Throughout the year, parties are held on special holidays. To raise funds for the treasury, the F.H.A. girls sell candy.

Each member of the club may do degree work. Each time she completes a project, she receives either a pin, a scroll, or a key.

At county meetings, project ideas are exchanged with other F.H.A. girls.

Honor Society

This year for the first time a National Honor Society was formed to honor the scholars, of the school. The students, from the Junior and Senior classes, were chosen by the Senior High faculty members on the basis of service to the school, character, leadership, and scholarship.

An induction service was held where each member received his membership pin, a symbol of his achievement.

KNEELING: l. to r. — C. Mertz, M. Clevenstine, M. Brower, M. Eppehimer, K. Weller, C. Jones. *SITTING:* N. Emery, S. White, D. Elliott, C. Dixon, Mrs. Manser. *STANDING:* C. Hall, M. Gibson, L. Long, B. Wing, J. Loomis, M. Roberts, L. Williard, S. Prizer, C. Ripnak, M. Webster, J. Sengia, N. Francis, G. Edlinski, L. Faddis.

OWEN J. ROBERTS began his formal training at Germantown Academy, Philadelphia, Pennsylvania. During this time he developed qualities which enabled him to become a competent administrator, educator, and judge.

For example, he was called upon by President Coolidge to investigate improper use of public oil lands which took six strenuous years to complete. On another occasion, President Roosevelt chose Justice Roberts to investigate the Pearl Harbor disaster., He conducted the investigation brilliantly.

During our formative years as underclassmen, we have the same opportunity to develop those qualities which were demonstrated in the life of Owen J. Roberts.

OWEN J. ROBERTS' participation in sports stressed individual activity rather than team participation. He enjoyed camping, canoeing, and fishing. Often he visited the Pocono Mountains to enjoy the beauty and solitude of the surroundings.

Some of Roberts' sport activities could be considered intellectual ones. He played chess very well and was a member of the debating team at Germantown Academy.

The Justice was a firm believer in the Boy Scouting movement and the principles and objectives it taught. He liked nothing better than mingling with the Scouts at nearby Camp Horseshoe or entertaining them at Bryncoed, his farm in the Chester County hills.

Today, the Boy Scouts give a merit known as the Roberts award in honor of Mr. Roberts — an advocate of rugged outdoor life, physical activity, and sportsmanship.

Wildcats

This year with more weight and experience, the Wildcat eleven surprised the rest of the Chesmont League. They began their season being tied seven to seven by Coatesville, the season's favorite to become Chesmont Champs. The boys fought well and came out with two additional ties. The traditional Roberts-Pottstown game on Thanksgiving Day was the peak of their season. They handed Pottstown a thirty-two to seven defeat and squelched the Trojans' hope of winning a championship.

This year also produced a first of which the entire school is proud. There were five members of the Wildcat team who were placed on the all-Chesmont Team: Dennis Conner, end; John Hedrick, Guard; Gene Herr, backfield; Gary Anderson, quarterback; and Nick Yurick, tackle. Gene Herr was also chosen for the all-Chester County team as a backfield player.

Although the graduating seniors will be a great loss to the team, the underclassmen will be able to fill these vacancies with promising football players.

Kittens Are Undefeated Again

This year the Kittens clawed their way to another undefeated season. For the eleven seniors, the 1962 hockey season will hold many memories. With the fine coaching of Mrs. Sabbi and Miss McCaffrey, and the two skilled co-captains, Molly Caldwell and Donna LaPish, the hockey girls won five games and tied three.

Downingtown, Boyertown, and Pottstown were the teams that the Kittens battled to tie scores. The girls showed a lot of spirit both on and off the field, always keeping their opponents moving.

The eleven seniors who did such a commendable job were: Donna LaPish, left wing; Cathy Colver, left inner; Linda Gill, center forward; Ieva Stumbius, right inner, Pat Piechota, right wing; Molly Caldwell, halfback; Sally Prizer, left halfback; Donna Lewis, right halfback; Donna Smith, left fullback; Diana MacBurney, right fullback; and Carol George who played any position on the line.

The team will have returning varsity players. Gladys Richards, Carol Rinewalt, Marty Loomis, and an excellent Junior Varsity.
Good luck next year, girls.

The Basketball

Under the new coaching of Mr. James Snyder, the Basketball team got off to a fine start by defeating Downingtown. As the season progressed it was quite evident that the lack of height was hurting. At the close of the season the boys began to pick up momentum. After losing a close one to Phoenixville, they beat Great Valley and finished their season at Spring-ford losing by only two points.

Team Is Improving

On this year's team there are only three seniors. They are Dennis Conner, high scorer for the team with 210 points, David Cisik, and Henry Yorgey.

Hopes for the future are very bright with more height and adept ball handlers coming up. Along with experience next year's team should be a winning one.

The 1962-63 Wrestling team has brought the Ches-Mont Championship to Owen J. Roberts for the first time in school history in any boys' sport. This alone is a great contribution to the school by the wrestling boys and their devoted coach, Mr. Foller.

For the fans it looked easy, starting with the first meet with Pottsgrove and ending with the Chesmont Championship meet at Great Valley on Feb. 16. Throughout the season the boys won all eleven of their dual meets, having six undefeated wrestlers.

The wrestlers began practicing in early November and will keep practicing until the state champions are decided. They have spent many long hours on the mats, and along with the best team record, they are probably the best conditioned team in the league.

In the Ches-Mont Tournament Roberts finished with five 1st places, one 2nd place, and three 3rd places compiling 90 team points to Coatesville's 82 points.

The future looks bright with only three losses due to graduation and many young prospects coming up. Good-luck for another undefeated season, boys.

Kittens Capture League Championship

L. to r. – C. Keim, C. Colver, M. Brower, S. Hoffecker, C. Frees, M. Caldwell.

This year's Chesmont Champions came up with an undefeated season. Each team was a challenge to the Kittens who fought hard for each victory. Practices were long and difficult, and each girl contributed to the spirit that they kept all season long.

Boyertown was one of the Kittens' most difficult games. The two teams were well matched; and although the Bearettes gave the girls a hard time, they won 44-43. This was the first time Owen J. Roberts Kittens had beaten the Boyertown girls in basketball in five long years.

They sailed through the rest of the season, beating all their opponents by large margins. The last game with the West Chester girls, who were also undefeated, had the Kittens a little on edge, but they pulled ahead and won 51-41 in a very exciting game.

The seniors that will leave — Molly Caldwell, Sally Hoffecker, Cheryl Keim, Mary Lib Bower, Carol Frees, and Cathy Colver will be a great loss to the team, but they have a lot of promising Juniors and Sophomores to fill vacant positions.

Good luck next year girls!

Softball Girls Have Winning Season

This year the Owen J. Roberts Kittens finished with another winning season. Hard work and lots of practice, plus the expert coaching of Mrs. Kline and help of the two capable co-captains, Nancy Gorman and Marilyn Fox, gave the girls the teamwork and skill that they displayed at each game.

The starting line-up included: Nancy Gorman, pitcher; Gladys Richards, catcher; Marilyn Fox, first base; Molly Caldwell, second base; Gladys Griffith, third base; Sandy Lucas, shortstop; Carol Rinewalt, short field; Barbara Stahl, right field; Linda Gill, left field; Marsha Collins, center field.

Their record of five wins and two losses was one of the best in the league. Boyertown, one of their best opponents, defeated the Kittens, who later made up for that loss.

The game with Coatesville turned out to be a close one which might have gone either way.

The four returning seniors are: Linda Gill, Molly Caldwell, Barbara Stahl, and Mary Jo Zukoski.

Keep up the fine work, girls!

Hopes for a Winning Season Are High

In his second year as head coach, Mr. Marlin Strohecker expects the potential of his young team to be exposed in the 1963 season.

With only two seniors on this year's squad, much of the responsibilty rests on the shoulders of the juniors and sophomores. The two seniors are Dave Berkey and Dave Cisik. Dave Berkey was the leading batter on the team last season holding the highest batting average. Although Dave Cisik saw limited action in the '62 campaign, he is expected to play more this season.

Despite a three and six record in 1962, the boys made a fine showing. With Dave Berkey and Gary Crossman hitting the long ball, and sophomore Bill Scherfel doing most of the pitching the team was very much respected throughout the league. Two of the team's defeats were very close, hard fought games. Against Pottstown, Scherfel hurled a one-hitter, yet lost the game 1-0. The other heart-breaker was against Phoenixville; Scherfel pitched a two-hitter, but gain the boys lost 2-1.

Their three victories were over Spring-ford, Dowingtown, and Conshohocken. With more experience and good team spirit the boys are sure to make this season a winning one.

Cindermen Break Two Records

Under the coaching of Robert Mosteller, in his first year as head coach of Track and Field, the track boys won three meets while dropping five. The three victories were over Pottsgrove, Twin Valley, and Spring-Ford, being defeated by Phoenixville, Conestoga, Coatesville, Downingtown, and Boyertown.

Throughout the season there were two school records broken. The first by Kenneth Chambers in the discus event with a throw of 115 feet. The second one by Dennis Conner in the javelin with a toss of 166 feet.

In the Ches-mont meet two members from Owen J. Roberts placed third. They were Dennis Conner in the javelin event and James Bodolus in the 100 yard dash.

There were eight lettermen in the 1962 season and five are expected to return with the hope of a better season in the spring of 1963. Good luck boys!
